INVITATION TO WEBINAR ON MEAL MANAGEMENT IN SCHOOL CAFETERIA

In celebration of the National Nutrition Month 2025, Philippine Association for Technology in Home Economics State Colleges and Universities, Incorporated (PATHESCU, Inc) in partnership with Cagayan State University, will be holding a webinar entitled “Meal Management in School Cafeteria” on July 26, 2025 from 8:00AM to 12:00 noon via Zoom. The theme for this year’s celebration is **“Food at Nutrition Security, Maging Priority! Sapat na Pagkain, Karapatan Natin!”**

The timely webinar aims to empower participants with essential skills to ensure nutritious, affordable and safe meals for students within school settings. The session will cover key topics such as basic nutrition, food purchasing, costing, safety and meal planning, all designed to strengthen nutrition and food security efforts in our schools. We believe this initiative aligns perfectly the Department of Education’s commitment to student well-being and academic success.

Enjoining public school teachers and school health personnel to attend. Their participation would significantly contribute to the professional development and ultimately benefit the health and nutrition of our students.
