SURVEY ON PRIVATE BUSINESS ESTABLISHMENTS & GOVERNMENT AGENCIES BY THE UNIVERSITY OF SOUTHEASTERN PHILIPPINES (USEP)

This has reference to the correspondence from the Department of Mathematics and Statistics of the University of Southeastern Philippines (USEP) regarding the conduct of its Graduate Program Needs Assessment Survey for Private Business Establishments and Government Agencies across the Visayas and Mindanao regions.

The assessment survey aims to gather information on organizational statistical work and practices, employment of statisticians and related quantitative professionals, future hiring needs, and perceptions regarding the value of graduate-level statistical training. The results will serve as a vital basis for evaluating the need for and developing a proposed Master of Science in Statistics (MS Statistics) program responsive to the workforce requirements of both industry and the public sector.

The assessment is open to government organizations and will take approximately 5–10 minutes to complete, with all collected data strictly treated with utmost confidentiality in compliance with the Data Privacy Act of 2012 (R.A. 10173).

Participants may access and complete the questionnaire via the official Survey Link at <https://forms.gle/unF8vP6gZXw8E4r68>.

For information and guidance. Participation of public school personnel shall be subject to the non-disruption-of-classes policy stipulated in DepEd Order No. 9, s. 2005 entitled "Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith."

For inquiries and further information, interested personnel may contact the USEP Department of Mathematics and Statistics directly by replying to their official communication network at **allenmark332@gmail.com**.

Dear Sir/Madam,

Greetings!

The Department of Mathematics and Statistics of the University of Southeastern Philippines (USEP) is currently conducting a Graduate Program Needs Assessment Survey for Private Business Establishments and Government Agencies across the Visayas and Mindanao regions.

We respectfully invite your organization to participate in this survey by accomplishing the Google Form through the link provided below:

Survey Link: <https://forms.gle/unF8vP5g2Xw8E4t68>

The survey aims to gather information on your organization's statistical work and practices, employment of statisticians and related quantitative professionals, workforce requirements, future hiring needs, and perceptions regarding the value of graduate-level statistical training. The results of this assessment will serve as a vital basis in evaluating the need for and developing a proposed Master of Science in Statistics (MS Statistics) program that is responsive to the workforce requirements of both industry and the public sector.

Completing the survey will take approximately 5-10 minutes. Your participation and honest responses are highly valued and will contribute significantly to the successful conduct of this study.

Data Privacy Notice (R.A. 10173)

In accordance with the Data Privacy Act of 2012 (Republic Act No. 10173), all information collected through this survey will be treated with the utmost confidentiality and will be used solely for the purpose of this Graduate Program Needs Assessment. Participation in this survey signifies your voluntary consent to the collection, use, storage, and processing of the information provided. Access to the data will be limited to authorized faculty and staff of the Department of Mathematics and Statistics, and any reports generated will present only aggregated information without identifying individual organizations.

Should you have any questions or require further information, please feel free to contact us by replying to this email.

We sincerely appreciate your time, support, and valuable contribution to this important initiative.

Thank you very much.

Respectfully,

Department of Mathematics and Statistics
University of Southeastern Philippines (USEP)
