**INTERNATIONAL CONFERENCE ON GLOBAL TRENDS IN EDUCATION:
RESEARCH, CURRICULUM, TECHNOLOGICAL PEDAGOGIES, INSTRUCTIONAL
LEADERSHIP AND SUPERVISION, AND DIGITAL CHANGE (ICG-TRENDS 2026)**

The International Conference on Global Trends in Education: Research, Curriculum, Technological Pedagogies, Instructional Leadership and Supervision, and Digital Change (ICG-TRENDS 2026) will be jointly organized by Aloysian Publications (Philippines) and BETMA English (Vietnam), in strategic international partnership with the University of Calicut, Kerala, India. The conference will be held on **September 10-12, 2026**, through face-to-face and flexible online/hybrid modalities to facilitate broader international participation and collaboration.

The activity aims to enhance professional competence through global educational trends and practices, strengthen skills in evidence-based action research and classroom data benchmarking, promote the innovative and ethical use of Artificial Intelligence (AI) in education, develop transformational approaches to instructional leadership and supervision, facilitate international professional learning and exchange of best practices, benchmark local practices against international standards, and support continuing professional development and career advancement.

Interested teaching and non-teaching personnel, including school heads, instructional leaders, supervisors, education practitioners, researchers, and other education stakeholders, may participate in the conference, subject to existing DepEd policies, applicable rules and regulations, and the approval of the concerned authority.

Participation of public school personnel shall be subject to the non-disruption-of-classes policy stipulated in DepEd Order No. 9, s. 2005 entitled "Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith."

July 15, 2026

SUBJECT: Request for a DepEd Advisory for ICG-TRENDS 2026

Atty. Alberto T. Escobarte, CESO II
Regional Director
DepEd Region XII

Dear Atty. Escobarte,

Greetings of peace and service!

The global educational landscape is navigating a profound paradigm shift driven by accelerated technological advancements, shifting curriculum demands, and evolving cross-border workforce requirements. To ensure that our Filipino educators do not merely react to these changes but instead proactively lead them, institutional calibration across all levels of the Department of Education (DepEd) is absolutely essential.

In line with this vision, **Aloysian Publications (Philippines)** and **BETMA English (Vietnam)**, in a strategic international partnership with the **University of Calicut (Kerala, India)**, will jointly organize and conduct the **International Conference on Global Trends in Education: Research, Curriculum, Technological Pedagogies, Instructional Leadership and Supervision, and Digital Exchange (ICG-TRENDS 2026)**. This prestigious international assembly will be physically hosted at the main campus of the University of Calicut, India, on September 10-12, 2026, and will simultaneously be accessible worldwide via a secure Online/Hybrid Streaming Mode.

Under the banner theme *"Elevating Professional Competence, Securing Career Progression, and Fostering Academic Excellence through Flexible Global Education,"* this 3-day conference will feature 18 hours of dedicated, peer-reviewed programmatic tracks covering:

1. Evidence-Based Action Research and contemporary classroom data benchmarking;
2. Technological Pedagogies and the ethical integration of Artificial Intelligence (AI) in lesson design; and
3. Transformational Instructional Leadership and Supervision frameworks for school administrators.

An event of this scale offers a rare transnational opportunity for our classroom teachers, master teachers, principals, and division supervisors to present their empirical research, engage in cross-cultural digital exchanges, and benchmark their practices against international systems. Furthermore, this program directly supports the continuing professional development mandates of the National Educators Academy of the Philippines (NEAP) and provides tangible pathways for career progression and promotion.

In this regard, we respectfully request your good office to issue a **Regional DepEd Advisory** to be cascaded across all division offices. This advisory will formally invite and encourage all interested teaching and non-teaching personnel to participate in this international conference, either via the **Face-to-Face International Track** or the **Flexible Online Mode**, **on an official or voluntary basis**.

To help your technical review committee evaluate this request, we have attached the comprehensive 3-day hour-by-hour program layout, the rationale, specific learning objectives, and the guidelines. Should you require further information, you may contact the organizing committee at Email: submissions@alloysianpublications.com, FB: Doc Cris Avila Mobile: 0921-579-4211 and Website: <https://alloysianpublications.com>.

We look forward to your favorable response as we collectively work to elevate the global competence of the Filipino teacher. Thank you very much, and more power to your leadership!

Respectfully yours,

DDIL: CRISANTO E. AVILA, MDC, DCEd, EdD, PhD
CEO, Aloysian Publications
